Door Phones

Comfort, safety and entertainment in and around your home, that is what Marmitek stands for.

With our broad range of door phones we offer the possibility to choose for what you think is important; solutions that meet your needs.

Our door phones are suitable for years of intensive use. All our products carry a full factory-guarantee for 24 months and they meet the strict European quality standards.

Seeing who is ringing your doorbell wherever you want to. Wired or wireless, speech and/or image, colour or black and white, handsfree or with a receiver, the choice is yours...
